It's a very cold and misty Saturday morning. A flash of light can be seen in the distance. A young odd looking teenage boy, CONNOR, walks over to a bench and sits on far left edge of it. On the right edge another boy, DAVE, can be seen reading a book.

DAVE sits up and his pencil case falls to the ground but DAVE does not notice it but CONNOR doe.

CONNOR
Hey, you dropped this.

DAVE puts his book down and looks at CONNOR then down at his pencil case on the floor.

DAVE
Oh. Thank you.

DAVE goes back to reading his book then suddenly stops and looks up. He looks at CONNOR then to a tree which is right in front of him, then back at CONNOR, like if he recognises CONNOR from somewhere. DAVE put's his book down.

DAVE
Hmm I'm sorry but you look very familiar, have we met before?

CONNOR has a confused look on his face.

CONNOR
erm I don't think so, I just moved here.

DAVE
Ohh, sorry.

CONNOR
Don't worry about it. So do you know any cool places to eat around here?

DAVE
erm there's a restaurant down the road which is pretty good. So what's your name?

CONNOR
Connor, you?

DAVE
Dave, nice to meet you Connor. So Where are you from?

CONNOR goes really quiet and looks away.

DAVE
erm earth to Connor?

CONNOR looks back at him and smiles.

CONNOR
erm sorry. I'm from the coast,
you know Brighton?

DAVE
Oh. of course I know, I've been
there before.

CONNOR
Oh. Cool.

DAVE put's his book back in his backpack along with his
pencil case.

DAVE
So why did you move here?
enjoying London so far?

A group of people with black hoodies can be seen in the
distance walking towards CONNOR and DAVE. CONNOR sees them
and senses danger. He then puts his left hand on his left
wrist.

HOODIE 1
OI, YOU TWO!

HOODIE 2
Nice backpack. it's mine now.

DAVE
There's nothing valuable in
there.

HOODIE 2
Shut it! How about you freak
show?

CONNOR
I got nothing.

HOODIE 1
Then what are you hiding under
you hand there?

CONNOR magically knocks them out by pressing a button on
his wrist watch (gadget).

DAVE
Whhaa- What just happened?

DAVE looks at CONNOR very confused and sees his futuristic
wrist watch.

DAVE (CONT'D)

what the hell was that? Is that
some kind of weird invention? Wow
can I try?

CONNOR looks at DAVE and smiles.

CONNOR

Yes it is. My father invented it
but I've made my own adjustments
to it.

DAVE

Oh cool! So he's an inventor? I
want to be one too, I have
several ideas for gadgets like
that.

CONNOR

Oh yeahh! that's awesome. I want
to be an inventor too.

CONNOR looks down and see that the effect of the gadget is
wearing off on the hoodie boys in front of them. He looks
at DAVE.

CONNOR

Hey, get your bag. Let's move
benches before they wake up?

DAVE

Good idea, but wont they come
after us?

CONNOR laughs.

CONNOR

Don't worry about that, they wont
even remember that they tried to
rob us.

DAVE looks confused but doesn't question CONNOR.

CONNOR

So what do you like to invent?

DAVE

Well I haven't really invented
anything but I have tons of ideas
from softwares, to gadgets to
things you use daily.
(laughs)

YOU SEE BOTH CONNOR AND DAVE WALKING AND GETTING DISTANT.
THE CAMERA JIBS DOWN FOCUSING ONTO THE HOODED BOYS GETTING
UP AND BEING VERY CONFUSED AS THEY DON'T REMEMBER WHAT
HAPPENED IN THE LAST 10 MINUTES. GOES BACK TO CONNOR AND

(CONTINUED)

DAVE SITTING ON ANOTHER BENCH FURTHER AWAY FROM WHERE THEY WERE BEFORE.

DAVE

So how does this watch works?
What else can you do on it rather
than make people drop dead
asleep?

CONNOR

(laughs)

Well lots of things, do you want
to try it on?

DAVE

Heck yeah.

DAVE puts the gadget on and start to mess around with it.

INT. HOUSE - EARLY AFTERNOON (FLASHBACK)

2

CONNOR is searching for his old sweater and ends up finding a old box. In the box he finds his father's first inventions and sketches in which makes him want to go back and meet his teenage father and spend some quality time with him as he doesnt get to spend it so much now.

EXT. PARK - EARLY MORNING

3

DAVE has to go but notices that CONNOR has zoned out. DAVE clicks his fingers in CONNOR's face to bring him back to reality.

CONNOR

Oh crap, sorry!

DAVE

I have to go now.

CONNOR

Oh okay dude, be safe.

CONNOR hands over a note to DAVE. DAVE looks down at the note-

DAVE

what's this?

DAVE looks up and CONNOR is no where to be seen. Dave turns around and starts walking away, he opens the note and looks very confused.

CONNOR can be seen in the background teleporting back to the future.
